About this event

This event is the voice of the modern consumer, not tied to any norms, going with new trends, and embracing change. At this event, no beliefs are set in stone, and all convention is thrown out the window. This is the platform for free thinkers, who will not be told what they should like.

The Vogue Wine and Spirit Awards, award gold and double gold awards to wines and spirits of the utmost quality, and quality is the primary goal of this event. As a value-add, value awards are awarded to value wines priced at R160, sparkling wines at R200 and below, and value spirits priced at R320 or below. Above everything, the main focus is quality.

As a testament to the extraordinary, those exceptional wines and spirits that have the honour of receiving both quality and value awards, are granted a double award.

The Vogue Wine and Spirit Awards serves as a pinnacle of distinction, honouring the finest examples and showcasing the crème de la crème of the industry.

This event is now in its sixth year, and has been rebranded Vogue Wine and Spirits Awards, from the previous name, Merit Wine and Spirit Challenge.

How is this event different from other wine and spirits events?

For wine

This event is all about celebrating the best of the best, and we've put a lot of thought and science into making sure it's as fair as can be.

To make sure we are comparing like with like, we're separating all the different categories. So, for instance, Rosé wines will only be judged against other Rosé

wines. And the same goes for other amazing categories like Cabernet Sauvignon. Each category gets to show off and compete on its own turf.

By meticulously distinguishing and aligning like with like, this event upholds the utmost standards of objectivity, ensuring the best products emerge triumphant, celebrated for their exceptional qualities within their respective domains.

For Spirits

This event will uphold the highest scientific standards of objectivity, recognizing that products' unique qualities must be evaluated within their respective classes.

Thus, gins shall be appraised independently, their distinguished characteristics assessed and celebrated among their peer gins. In a similar vein, vodkas shall receive their own distinct evaluation, where their remarkable attributes shall be meticulously judged and celebrated within their own peer group.

By upholding such a meticulous framework of classification, each class of product shall establish its own benchmark, celebrated for their exceptional qualities. The resulting evaluations shall represent the utmost in scientific rigour, ensuring only the most exceptional products are honoured as industry leaders.

Panellists

The Vogue Wine and Spirit Awards, is acutely aware of the evolving landscape of fine wine and spirits, and acknowledges the discerning palates and groundbreaking preferences of the generation of consumers.

Unlike their predecessors, the experts involved in tasting, are not bound by the confines of limited choices and the sway of established producers. By embracing a spirit of boundless exploration, they forge new frontiers and shatter traditional conventions.

Recognizing their pivotal role in shaping the future of the fine-wine industry, the event sets a course to inclusivity and enlightenment. A substantial contingent of esteemed panellists, hailed for their profound insights and visionary perspectives, shall be thoughtfully appointed, offering them a distinguished platform to lend their resounding voices. This strategic endeavour ensures that this influential group finds representation and influence within this illustrious and esteemed event, safeguarding the dynamism and transformative power they embody.

Before you enter your products, please read through these questions and answers, and gather the necessary details about each entry.

What constitutes an entry?

For certified wines:

For certified wines, one entry consists of a wine from a particular application number. The same wine with different application numbers will be considered as different wines.

Other products that will not be certified

If the same product that is chemically, and taste-wise identical, comes in different forms of packaging (for example glass and plastic refills) or in different sizes (250 ml, 500 ml etc.), they only have to be entered once in whichever volume presented. We will provide additional personalised certificates for all the packaging sizes if necessary, but the certificate is normally made out to the product, and not the particular packaging format.

If the same product (that is chemically and flavour-wise identical), is available under different brand names, the product may only be entered once, and we will provide additional personalised certificates to all the brand names if the product is awarded.

The same product cannot be entered twice. The same product may not be entered by different parties or people.

- A product may only be entered into one category per year.
- Please include the flavour or any other distinguishing details of your products after the name of your product, to be able to identify every product afterwards.
- Products that are entered must be sensorially and chemically identical to commercial products they represent in every practical way.
- Companies may enter as many products as they want.
- You are welcome to choose your own category or contact us.
- The organisers may change the category of the product to a category more suitable for judging at their own discretion.

Photo of product - pack shot

When you enter, you are asked to upload photos of the products that can later be used on social media to promote the winners. It is highly advised to upload an image to make use of the opportunity, but it is not compulsory.

The photo/graphic should have the following characteristics.

- Square image with a product in the centre with a white or see-through background.
- The product featured should be the exact product entered.
- The photo must feature the product alone without any decoration, accompaniments, or text.
- Besides the product in its own packaging, the photo should not show any other company or product logos.
- Photos that do not adhere to these criteria might not be used.
- The image should measure 1080 x 1080 pixels or more.

Judging of products

Who will be the judges?

We make use of the best sommeliers, Cape Wine Masters, and wine and spirits experts.

How are the products evaluated?

During judging, products are always evaluated double-blind, meaning that the tasters have no idea of who produced the products, or the name of the products, except the type of product evaluated, and the needs and expectations that the product is supposed to fulfil.

The judges each make up their own minds as to the quality of the product, without conferring with each other to reach a consensus. The judges' score is not subject to their own taste, instead, they evaluate products from the viewpoint of consumers who love products in that category.

**Will the judging process be audited?**

The judging process will be audited by an accredited auditing firm to ensure that the judges are not influenced and that the tasting is done blind, and conforms to international standards.

- The decision of the judges is final, and no feedback will be given.
- We will not engage in correspondence involving products that did not win an award or did not do well enough.
- Some of the judges may be producers or sponsors, but none of them will judge the category they entered.

Stickers and award FAQs**Can I use the award artwork for other brands?**

The award may only be used for the particular product that was entered, but if the exact same product (that is organoleptically and chemically identical) is marketed under a different brand name, the award may be used on that product as well. An additional award certificate will be granted at no extra cost to the other identical products. For wine, the award may only be used on wine with the particular application number that entered.

There are several ways to pay for the stickers:

- Bank EFT
- Payfast online payment – Some credit cards, including American Express not accepted.
- Upon request, we can send you an EUR or USD invoice payable via PayPal.

When will the stickers be available?

The stickers will be available approximately two weeks after the results have been confirmed.

The stickers will be available for collection at an address in Stellenbosch, Western Cape, South Africa, for the account of the entrant. It is the responsibility of the entrant to arrange payment for the stickers, and arrange for the pick-up of the stickers.

What is the format of the stickers?

- Stickers come in multiples of 1 000.
- Stickers are 25 mm in diameter. Double award stickers measure 25 x 47 mm.
- The stickers are printed with bright, cold foil.
- The stickers come on rolls that have a 41 mm core diameter, and are wound leading edge left.
- Different core sizes, or winding techniques if needed, must be specified when the final sticker count is confirmed.

When do I have to order the stickers?

- When you enter your product, you are asked how many stickers you would like to order if that product is awarded.
- After that, you are again on two different occasions asked to confirm the quantity (in case the quantity changes, or if you decide either to order or not to order).
- After the results are released, there is the final cut-off time for sticker confirmation, and the stickers are printed upon your request, and you are obliged to pay for the stickers.
- Please ensure you are reachable by email because if you do not change your order, your last order will stand.

General Rules

A product may only be entered once, even if it is available under a different brand name.

Entries will only be accepted in English.

Tank samples will not be accepted as entries into the event.

There is no minimum stock quantity needed to enter a product.

A product that received an award in a previous year's event may be entered again.

Each participant will be responsible for all delivery costs, customs, duties, taxes and insurance. These must be paid by the participant before sending the entry samples, and the participant will be responsible for clearing and the associated costs at customs where applicable.

It is the participant's responsibility to have insurance for samples, as they will be transported at the participant's risk. Tank Town Promotions (Pty) Ltd will not be accountable in any way whatsoever for any loss or damage to the samples before, during, or after the event.

All samples are to be clearly labelled to identify the entries. This information includes the name of the manufacturer, the commercial name of the product, and the particular variant of the product if appropriate.

Because this is an international event, the basic guidelines for classes must be followed, but it is up to the entrant to choose a class that is appropriate relative to their own frame of reference. The judges reserve the right to move the product to a more appropriate class.

The same product, even if under a different brand or name, may only be entered once.

Any products left over after judging become the property of the event.

Only commercially operated importers, producers or distributors that abide by the food laws of the country of origin may enter.

Winners will be asked to supply the event organisers with high-resolution pack shots for use on its website, and in marketing materials. By entering this event, the participant grants the Vogue Wine and Spirit Awards unlimited use of these images.

Be sure to securely wrap entries with bubble wrap or similar material to secure your entries against breakage. Please wrap your final package in a plastic bag and make it leakproof to prevent leakage and damage to other products. Label the samples as fragile.

Specialised packaging material or any other packaging material will not be returned. Specialised packaging material can significantly preserve the final quality and viability of the sample being judged.

If styrofoam peanuts are used for packaging, please secure them in a container that will not cause leakage or spillage of the packaging materials.

International entries must take the necessary precautions to prevent breakage and hold-ups in customs and are encouraged to use local agents to deliver samples.

If more than one box of samples is delivered, please mark the boxes as “Box 1 of 5”, “Box 2 of 5” etc.

After winners are announced, no additional samples are needed.

Leftover samples will become the property of the event.

The rules of the event may change at any time and are at the sole discretion of the organisers. The amended rules will be published on the website. If an entrant does not abide by the rules, they must withdraw the relevant entries.

Please be aware that to enter this event, you have to also abide by the website terms, Privacy Policy and General Event terms as set out at www.vogueawards.com
